We were in a marked vehicle with light and sirens fully functional. At approximately 5:45 pm, Agent (b) (6), (b) (7)(C) and I were observing northbound traffic on a stationary location along the I-15 near Deer Spring road. While observing traffic, Agent (b) (6), (b) (7)(C) observe a burgundy color F-150 pickup with two occupants pass our location on the number four lane, which is the furthest lane to the right. As the vehicle pass, Agent (b) (6), (b) (7)(C) observe the passenger of the vehicle behavior change from relax to rigid. We left our location in order to further investigate the vehicle and occupants. As promptly as we entered the I-15, I continue to maintain the vehicle in sight and noticed that the driver immediately turned his left signal on and merged into the two left lanes. We closed distance and pulled along the driver's side to observe the occupants, we observed that both the driver and passenger alike were rigid in their seats, I was able to observe that the passenger did not want to acknowledge us and had a blank look on his face. We pulled behind the vehicle and contacted Border Patrol Dispatch for records checks on the vehicle's plate</p>

<p>(CA/(b) (6), (b) (7)(C)), but the vehicle license plate had no record on file. We then pulled along the passenger's side. At this point, I observed that the passenger posture did not change from his previous rigid position and again he did not want to look in our direction. We backed off to create distance and notice that the vehicle again made yet another left lane change as to utilize other vehicles to block us from getting behind them again. In our years of experience and training we recognize these behaviors as commonly utilized by illegal alien and alien smugglers alike as an attempt to create distance between their vehicle and ours. We turned our vehicle emergency equipment initiating a vehicle stop. The drivers pulled over approximately a quarter mile from Highway 76. I exited my vehicle, approach the F-150 along the passenger's side and questioned the driver and passenger regarding their immigration status. The driver had in his possession a valid Permanent Resident Card. The passenger admitted to being present in the United States illegally without any document allowing him to be or remain in the United States legally. The vehicle and the driver were released, because no smuggling case could be established. The passenger was transported to the Murrieta station for processing.</p> <p>(b) (7)(E), (b) (6), (b) (7)(C)</p> <p>At approximately 7:30 pm, (b) (6), (b) (7)(C) requested and was granted a phone call to the Mexican Consulate. Agents (b) (6), (b) (7)(C) noticed multiple occupants in the vehicle. <p>Agents (b) (6), (b) (7)(C) also noticed that all four occupants of the vehicle made no attempt to look in the direction of the fully marked unit that Agents (b) (6), (b) (7)(C) were occupying. This behavior is inconsistent with the behavior of the average motoring public, as a very large percentage of passing vehicles take notice to fully marked vehicles. All four occupants appeared to be sitting very rigid in their seats and staring straight ahead, not appearing to speak or move at all. Agents (b) (6), (b) (7)(C) elected to follow this vehicle in order to get a closer look at the occupants and their behavior.</p> <p>Agents (b) (6), (b) (7)(C) were able to catch up to the Aerostar just south of the Gopher Canyon exit on I-15. The Aerostar then took the Gopher Canyon exit, which was the first available exit after the Agents pulled in behind the Aerostar. This is a common tactic used by smugglers to attempt to avoid further contact by law enforcement officials. Agents (b) (6), (b) (7)(C) were also able to exit Gopher Canyon and were able to position their vehicle directly behind the Aerostar. Agents (b) (6), (b) (7)(C) observed the vehicle for approximately four minutes while stopped at a stop sign waiting to enter westbound Gopher Canyon road. Agents (b) (6), (b) (7)(C) once again noticed that all occupants were sitting extremely still, not seeming to move at all. This is common with illegal aliens in that they are overly nervous at the presence of Border Patrol Agents. While Agents (b) (6), (b) (7)(C) were observing the vehicle, record checks on the license plate (CA (b) (6), (b) (7)(C)) came back no record on file. This is common in alien smuggling loads as smugglers will sometimes use false license plates to conceal a possible stolen vehicle or from where the vehicle is registered.</p> <p>At approximately 5:50 p.m, Agents (b) (6), (b) (7)(C) elected to perform a traffic stop on the vehicle in order to perform an immigration inspection on the occupants of the vehicle. Agents (b) (6), (b) (7)(C) attempted to stop this vehicle utilizing emergency lights and sirens on westbound Gopher Canyon road just west of the south bound off-ramp. The vehicle failed to yield and proceeded westward on Gopher Canyon for approximately 2.6 miles before coming to a stop. As the vehicle yielded on the shoulder, three individuals exited the vehicle and ran north from the vehicle into an open field. Agent (b) (6), (b) (7)(C) gave chase, and after a brief foot pursuit, was able to apprehend one of the occupants of the van. Agent (b) (6), (b) (7)(C) attempted to make contact with the driver of the vehicle who remained seated. As Agent (b) (6), (b) (7)(C) approached the vehicle, the driver accelerated and entered back onto westbound Gopher Canyon. Agent (b) (6), (b) (7)(C) elected to remain on scene with Agent (b) (6), (b) (7)(C) and the three occupants of the vehicle. Agent (b) (6), (b) (7)(C) also apprehended one of the occupants of the van after a foot pursuit. The third occupant was found hiding in brush near the scene of the bailout by Agent (b) (6), (b) (7)(C).</p> <p>All three subjects were then returned to the original scene of the bailout where they were questioned. Agent (b) (6), (b) (7)(C) identified himself as a United States Border Patrol Agent to the subjects. NARRATIVE: ----- On May 19, 2013, I, Border Patrol Agent (b) (6), (b) (7)(C) was assigned roving patrol duties along the Interstate 15 corridor. I was operating in full uniform in my assigned, unmarked Border Patrol vehicle. (b) (7)(E) (b) (7)(E)		
At approximately 5:00 p.m. I was traveling southbound on Interstate 15 near the Mission Road exit when I observed a cream colored Toyota FJ Cruiser (CA (b) (6), (b) (7)(C) traveling southbound in lane number one, just ahead of me. As I drove alongside the vehicle I observed that the two visible occupants of the vehicle appeared to be talking to one another. I then rolled down all the windows in my vehicle, so that I, in full uniform, was readily visible. I then positioned myself alongside the vehicle again. This time, I observed as both occupants looked in my direction, and instantly became visibly shaken and had a look of impending doom on their faces. I then observed as both occupants demeanor changed greatly. Both occupants were now sitting very still in their seats, not looking at or talking to one another any longer. I continued to drive alongside the vehicle for a few more moments in order to further observe the occupants. During this time, neither the driver nor the passenger would look over in my direction or acknowledge my presence in any way. In my training and experience, those involved in the smuggling of illegal aliens, narcotics, or cash or those illegally present in the United States will often act in this manner when approached by law enforcement.		
Furthermore, I observed that the driver, after seeing my uniform, slowed down his vehicle greatly. As I drove behind the vehicle, I observed as traffic was going around the vehicle which was now traveling in lane number one but had dropped its traveling speed to well

<p>below the flow of traffic. I continued to follow behind the vehicle and observed as the driver was continually checking his mirrors in an attempt to locate my vehicle. Also, as I drove behind the vehicle I observed the drive begin to swerve within his lane of travel because he was paying more attention to his mirrors and the location of my vehicle than he was the road in front of him. In my training in experience, those involved in illegal activity will often react in this manner to the presence of law enforcement. And, they will often attempt maneuvers such as changing lanes and altering speeds in an attempt to put a greater distance between themselves and any law enforcement officers near them.</p> <p>While driving behind the vehicle, I also observed a sticker on the rear window of an "M". Through my training and experience, I recognized this to be a sticker often utilized by members or associates of the Mexican Mafia in order to identify themselves to other members. Furthermore, as I was driving alongside the vehicle I observed a rosary hanging from the rearview mirror. Through my training and experience, I recognized this as an item of religious paraphilia that is often carried and/or displayed by those involved in the smuggling of illegal aliens or narcotics because they believe that these items will bring them luck during their travels.</p> <p>At this time, I relayed the vehicle information to Dispatch and initiated a vehicle stop along the I-15 southbound, approximately two miles south of the Mission Road exit. After I activated my lights and siren, the driver of the vehicle continued traveling in the same lane for approximately half of a mile before yielding. The vehicle yielded along the I-15 southbound, just before the SR-76 off ramp.</p> <p>I approached the vehicle and identified myself as a United States Border Patrol Agent to the two occupants of the vehicle. I then asked both occupants where they were going. The driver, later identified as (b) (6), (b) (7)(C) stated that they were on their way to San Diego, California and were coming from Fontana, California. While speaking with (b) (6), (b) (7)(C) I noticed that both he and the passenger appeared very nervous. I could see that both occupants had trembling hands and faces. These reactions are common among those experiencing high stress and adrenalin dumps.</p> <p>At this time I asked both occupants for identification. (b) (6), (b) (7)(C) provided me with a valid California Drivers License. The passenger, identified as (b) (6), (b) (7)(C) produced only a high school identification card and claimed to be waiting for papers. I relayed both subjects information to Dispatch and requested record checks.</p> <p>Through brief questioning, I determined that (b) (6), (b) (7)(C) was illegally present in the United States. (b) (6), (b) (7)(C) readily admitted to having come into the United States with an Employment Authorization Card in 2003 and remaining in the United States even after the card had expired in 2005. (b) (6), (b) (7)(C) stated that he knew that his card had expired and that he had applied for a new one but his application had been denied. (b) (6), (b) (7)(C) further stated that he had no other documents that would allow him to be or remain in the United States legally and that he had no petitions pending.</p> <p>Agent (b) (6), (b) (7)(C) conducted field interview on (b) (6), (b) (7)(C) stated that he was "in process" for his immigration documents. R/O: (b) (6), (b) (7)(C) (b) (6), (b) (7)(C) Vehicle left on scene as per driver's request (I-43 on file). On August 17, 2013, I, Border Patrol Agent (b) (6), (b) (7)(C) and Border Patrol Agent (b) (6), (b) (7)(C) were assigned roving patrol duties on the 12A-8A shift within the De Luz / Fallbrook corridor within the Murrieta / Newton-Azrak Station's Area of Responsibility. At approximately 6:00 a.m., while observing northbound traffic on Sandia Creek Road in a marked Border Patrol sedan, Agent (b) (6), (b) (7)(C) and I observed a dark colored four-door SUV pass by our location. As the vehicle passed by, we clearly observed two individuals in the front seats of the vehicle. In order to get a better look at the vehicle and its occupants, I safely pulled into the northbound lane of traffic and began to follow the SUV. Once we got behind the vehicle, the SUV immediately and dramatically began to increase its speed. While behind the vehicle, Agent (b) (6), (b) (7)(C) and I both observed the front passenger turning his head over his left shoulder as if he was looking back at how far we were. We also observed what we believed was a third person ducking his head in the back seat of the vehicle. After observing the vehicle for a while, I decided to activate my vehicle's emergency equipment in an attempt to make a vehicle stop in order to perform an immigration inspection on the occupants of the vehicle. The vehicle immediately increased its speed upon seeing & hearing our emergency equipment and then suddenly made a left turn onto an unnamed dirt road. Once the SUV turned onto the road, it made a sudden stop without incident. Agent (b) (6), (b) (7)(C) and I approached the vehicle and identified ourselves as Border Patrol Agents. I then proceeded to question the driver, later identified as (b) (6), (b) (7)(C) as to his country of citizenship. (b) (6), (b) (7)(C) stated that he was from Mexico. When asked if he had any valid immigration documents, (b) (6), (b) (7)(C) shook his head and replied that he did not. I then asked the other two passengers in the vehicle what their citizenship was. Both individuals stated that they were from Mexico. When asked if they had any valid immigration documents affording them the right to remain in the United States, they both replied that they did not. Due to the fact that (b) (6), (b) (7)(C) as well as both passengers in his vehicle were in the United States illegally without possessing any valid immigration documentation affording them the right to remain in the United States, all three subjects were taken into custody and transported to the Murrieta / Newton-Azrak Border Patrol Station for processing. The vehicle was left on scene as per (b) (6), (b) (7)(C) request. At the station, (b) (6), (b) (7)(C) was asked a second time as to his citizenship. (b) (6), (b) (7)(C) freely admitted to being a citizen and national of Mexico, as well as being in the United States illegally without having proper or valid immigration documents. (b) (6), (b) (7)(C) also admitted to having entered the United States at a place not designated as a port of entry and that he was not inspected or admitted by any official of the United States government. As a routine step in processing, (b) (6), (b) (7)(C) photograph, biographical, and biometric information was entered into processing systems. These systems, along with record checks, revealed no prior criminal history, but did reveal that (b) (6), (b) (7)(C) had been previously removed from the United States. <p>Springs exit observing northbound I-15 traffic. While in this location, I observed a white Ford Crown Victoria, CA/(b) (6), (b) (7)(C) traveling northbound on the I-15. When the vehicle passed by my stationary location I observed that the driver looked over in the direction of my fully marked Border Patrol sedan and then quickly looked away. I further observed that the driver, as he drove by my stationary location, began to coast. This was easily observed by the fact that while I never saw the brake lights illuminate; however, the vehicle began to slow to a speed below the regular flow of traffic. At this time I elected to follow the vehicle and further observe the occupants.</p> <p>As I came upon the vehicle from behind, I observed that the driver was again traveling at the same speed as the general motoring public, and was traveling in lane number one. I then positioned my sedan along the passengers side of the vehicle. While pacing the vehicle, I observed that neither occupant would look over in my direction or acknowledge my presence in any way. In my training and experience, those individuals involved in the smuggling of illegal aliens or narcotics will often react in this manner to the presence of law enforcement near them. I then began to slow the speed of my sedan in an effort to position my sedan behind the vehicle. During this time, I observed that, as I slowed the speed of my sedan the driver of the vehicle would match my speed, making it difficult for me to remain alongside the vehicle or reposition myself behind their vehicle. In my training and experience, those involved in illegal activity will often act in this manner, continually adjusting their traveling speed in an effort to keep law enforcement at a distance.</p> <p>I was able to position my sedan behind the vehicle, and I relayed the plate information to Dispatch. Through record checks on the plate it was determined that the vehicle was registered to a female residing at an address in Chula Vista, California. (b) (7)(E)</p> <p>(b) (7)(E)</p> <p>(b) (7)(E) Further checks revealed that the vehicle had links to narcotics smuggling.</p> <p>At this time I had traveled ahead of the vehicle and positioned my sedan in lane number three. I was able, through the use of my mirrors, to observe the vehicle as it traveled down the freeway behind me. I observed as the driver began slow his speed of travel in an attempt to keep distance between his vehicle and my sedan. I then observed as the driver moved from lane number one into lane number two, behind my sedan. I then moved into lane number three, and the driver followed, remaining behind me about two to three car lengths. In my experience, those individuals involved in smuggling events will often preform maneuvers such as these in an attempt to maintain distance between themselves and any law enforcement presence in the area.</p> <p>As we continued to drive down the road, I observed as the vehicle increased speed and moved abruptly from lane number two across lanes three and four and exited the I-15 freeway at Mission Road. As the vehicle made a left turn onto Mission Road, I initiated a vehicle stop. At approximately 9:00 a.m., Agents (b) (6), (b) (7)(C) were observing traffic traveling through The Arbors at California Oaks apartments, located at the corner of California Oaks Road and Jackson Avenue, in Murrieta, CA. BPA (b) (6), (b) (7)(C) observed a Hispanic male, dressed in a blue jacket and black shorts, standing in the parking lot, next to a blue sedan. The subject glanced in our direction, and then quickly tried to enter his vehicle after he observed our marked Border Patrol vehicle driving towards him. (b) (6), (b) (7)(C) reached down as if to open the door, looked down and then back up at our direction. It appeared that (b) (6), (b) (7)(C) was distracted by our presence and missed the door handle. (b) (6), (b) (7)(C) then moved towards the front door of the Civic and opened the door and quickly entering. As we approached his vehicle, a dark blue 2004 Honda Civic (bearing California license plates (b) (6), (b) (7)(C)) I exited our marked unit and attempted to make a consensual encounter with the subject (later identified as (b) (6), (b) (7)(C)).

INTERVIEW:

Upon approaching the car, (b) (6), (b) (7)(C) rolled down his window and I said "Good morning, can I ask you a few questions?" to which (b) (6), (b) (7)(C) replied "yes, okay." I then identified myself as a Border Patrol Agent in the English language and asked (b) (6), (b) (7)(C) of what country he was a citizen. (b) (6), (b) (7)(C) did not immediately respond, and I again asked of what country he was citizen. (b) (6), (b) (7)(C) hesitated, and then freely admitted to being a citizen and national of Mexico, without immigration documents to be or remain in the United States legally. I asked (b) (6), (b) (7)(C) what he was doing at the apartment complex, and he stated he was there working.

Further investigation of the contents of the subject's vehicle indicated fraudulent activity. A counterfeit Social Security card and Legally Admitted Permanent Resident (LAPR) card were found. Numerous documents were found, including Department of Treasury notices, which contained Individual Taxpayer Identification Numbers (ITIN). These documents indicated that he was claiming friends and relatives as dependents on his tax returns. Upon further questioning of (b) (6), (b) (7)(C) he admitted to using these Internal Revenue Service (IRS) assigned ITIN to claim individuals living in Mexico as dependents on his United States tax return. The counterfeit documents were seized and inventoried on CBP Form 6051S: (b) (7)(E) and sealed in Evidence Bag: (b) (7)(E).

The subject was taken into custody and transported to the Murrieta Border Patrol Station for processing. The vehicle was towed from the apartment parking lot by United Towing.

At this point, I requested permission from the owner to enter the establishment in order to look for the female who fled. He granted me permission. As I walked into the business, I met (b) (6), (b) (7)(C). (b) (6), (b) (7)(C) was working in the back and had a hammer in his hand. I asked him to please put the hammer down which he did. I asked him if he saw a female run in this direction. He told me that nobody had been through here. I asked him where he was from and he said that he had his permit. I took that response to be an immigration document. I asked him to produce it. (b) (6), (b) (7)(C) then changed his story and said that he was in the process. Since being in the process is not a status, I asked him if he was in the country illegally. (b) (6), (b) (7)(C) told me, "Si", meaning "yes." I placed him under arrest for being in the United States illegally. Upon turning him over to Agent (b) (6), (b) (7)(C) I continued my search of the premises. Upon reaching the location where I encountered (b) (6), (b) (7)(C) I saw muddy foot prints leading to the corner of the back lot. The distances between the muddy steps were such that it appeared that the person either had an extremely long step or was running. I followed the steps to the back of a white building where I discovered (b) (6), (b) (7)(C) hiding in a crouched position. I told her that I was a Border Patrol Agent. Since my presence obviously startled her, I initiated an immigration inspection. (b) (6), (b) (7)(C) asked me in the Spanish language not to arrest her. I asked her to tell me where she was born. She said, "Mexico." I asked her if she had any immigration documents. She again said, "No." I asked her if she had any paperwork that allowed her to be in or remain in the United States and again she said, "No." I placed her under arrest for being an illegal alien.

All three individuals were placed into DHS custody and transported to the Murrieta Border Patrol Station for processing, screening and removal.

(b) (6), (b) (7)(C) who live together as a couple, both said that they understood their rights, and although they waived their rights to have an attorney present, (b) (6), (b) (7)(C) asked to call a family member. I told them that once I finished processing that I would allow them to make a telephone call. Neither expressed a wish to speak with the Mexican Consulate.

<p>PROCESSING: During processing, (b) (6), (b) (7)(C) were asked various questions and based on their responses, it was determined that both knowingly entered the U.S. at a place other than as designated by the Attorney General of the United States or by the Secretary of Homeland Security. (b) (6), (b) (7)(C) stated that she entered the United States illegally on or about November 1, 2006 near San Ysidro, CA. That she entered near the levee at night.</p> <p>(b) (6), (b) (7)(C) stated that he made his illegal entry on or about May 15, 2004 also near the San Ysidro Port of Entry. He said that they crossed by jumping a big gate and ran into a truck lot. He said that he entered early in the morning when there were no Agents near the gate.</p> <p>DISPOSITIONS: (b) (6), (b) (7)(C) requested to voluntarily return to Mexico. Due to the fact that they are cohabitating, both are being granted a voluntary return via San Diego instead of being processed under the ATEP Air Rise Initiative.</p>

<p>numerous alien smuggling loads. Agents (b) (6), (b) (7)(C) have approximately 11 years of combined experience. They are familiar with the common behaviors associated with the smuggling of illicit contraband and undocumented aliens. Agents (b) (6), (b) (7)(C) are trained certified and authorized to enforce immigration and customs violations including Titles 8, 19, and 21. Agent (b) (6), (b) (7)(C) has attended advanced training in highway interdiction that includes but is not limited to the recognition of driving behaviors, hidden compartments, smuggling movement indicators, and interview techniques.</p> <p>At approximately 9:20 am the Agents were observing northbound traffic on Interstate 15 and Deer Springs Road near Escondido California when a Blue Chevy Tahoe passed their location. As the vehicle passed, Agent (b) (6), (b) (7)(C) observed that the driver of the vehicle appeared to be sitting in an unnatural upright position. He also observed that the front passenger of the vehicle was lying back in the front seat; behind the B-pillar in what he believed was an attempt to avoid being seen by the Agents. Agent (b) (6), (b) (7)(C) also observed that the vehicle appeared to be heavily laden. As the vehicle passed the Agents location, Agent (b) (6), (b) (7)(C) (b) (7)(E)</p> <p>(b) (7)(E)</p> <p>Upon overtaking the vehicle, the Agents ran records checks through their dispatch via the license plate on the vehicle. The Agents were informed that the vehicle was registered to an address out of San Diego. Records checks also revealed that the address associated with vehicle has ties to previous illegal alien smuggling events. The Agents then paralleled the driver's side of the vehicle; they were able to observe two "black ice" air fresheners hanging from the review mirror. (b) (7)(E)</p> <p>(b) (7)(E)</p> <p>(b) (7)(E) The Agents also observed that upon following alongside of the vehicle for a few miles, the driver refused to look over at their marked service sedan. Numerous times, the Agents varied the speed of the marked unit in the lane adjacent to the Tahoe in an attempt to elicit a response from the driver of the Tahoe. This is inconsistent with the actions of the general motoring public as most drivers notice marked sedans pacing their vehicle and within seconds they look in the direction of the marked unit. Due to previous encounters with vehicles involved in the smuggling of contraband, the Agents know this behavior to be a common characteristic.</p> <p>The Agents then positioned their marked sedan in the same lane as the Tahoe, approximately ten car lengths behind the Tahoe. Upon doing so, the Agents observed that the vehicle began swerving within its own lane of traffic. This is also common with smugglers of illicit contraband as they begin to pay more attention to the marked unit behind them instead of the road in front of them. This can also be evidence to the fact that the driver is overly nervous at the presence of law enforcement. At this point, the Agents changed lanes again moving along the right side of the vehicle. The Agents observed that the vehicle began to drift towards the left side of its lane. As previously stated, this behavior is commonly present when drivers are paying more attention to their rearview mirrors than how they are</p> <tr><td>Signature (b) (6), (b) (7)(C)</td><td colspan="2">Title BORDER PATROL AGENT</td></tr>			Signature (b) (6), (b) (7)(C)	Title BORDER PATROL AGENT

The Agents observed that as the vehicle traveled over bumps in the road, the suspension of the vehicle responded as if the vehicle contained heavy cargo but the Agents could observe only two passengers in the vehicle and nothing in the rear cargo area which would cause the vehicle to be weighed down. This is common with illegal alien smuggling loads as they often attempt to hide their numerous passengers from detection by law enforcement.</p> <p>Agent (b) (6), (b) (7)(C) activated all emergency equipment in order to perform a traffic stop on the vehicle. The vehicle yielded on the shoulder of I-15 northbound approximately one half mile north of highway 76.</p> <p>Upon initial contact with the vehicle, Agent (b) (6), (b) (7)(C) identified himself and Agent (b) (6), (b) (7)(C) as United States Border Patrol Agents to the front passengers of the vehicle. Agents (b) (6), (b) (7)(C) observed that there were two occupants in the front of the vehicle and several hiding on the floor in the back of the vehicle. During questioning of the occupants of the vehicle, Agents (b) (6), (b) (7)(C) determined that all passengers of the vehicle with the exception the driver had crossed into the United States illegally on foot from Mexico. All ten occupants were detained until backup arrived and then taken into CBP custody. At approximately 9:30am, Agent (b) (6), (b) (7)(C) placed all ten occupants under arrest and they were transported to the Murrieta Border Patrol Station, along with the vehicle.</p> <p>At the Murrieta station, all subject's biographic information and fingerprints were entered into CBP databases for further processing and identification. During this process, all subjects were once again questioned regarding their citizenship while at the station. Nine of the subjects stated that they were illegally present in the United States and the driver of the vehicle, identified as (b) (6), (b) (7)(C) claimed to be a United States citizen.</p> <p>(b) (6), (b) (7)(C), (b) (7)(E)</p> <p>FBI# (b) (7)(E) SID# (b) (7)(E) A# (b) (6), (b) (7)(C)</p> <p>At approximately 1245 (b) (6), (b) (7)(C) was advised, by Agent (b) (6), (b) (7)(C) on his right to speak with the Mexican Consulate. <p>At approximately 6:50 a.m., we received a call from dispatch stating that the Bureau of Alcohol, Tobacco, Firearms and Explosives (ATF) was in need of our assistance in the city of Wildomar, CA. After making contact with ATF personnel, we were given a short brief on their operation and what was expected of us. We were told to provide perimeter security on a local residence where ATF Agents planned to execute a search warrant on. Once ATF Agents searched and secured the residence, they asked Agent (b) (6), (b) (7)(C) and me to enter the house for translation purposes. During the course of ATF's investigation, Agent (b) (6), (b) (7)(C) and I encountered a Hispanic male by the name of (b) (6), (b) (7)(C). The agents responded to the call in order to render assistance. The FTY continued for a short time and ended in the bail-out of one individual out of a Ford F-150. Upon arriving at the scene of the bail-out, Agent (b) (6), (b) (7)(C) exited his vehicle and went out on foot in order to help other agents track the suspect. Agent (b) (6), (b) (7)(C) searched for the suspect in a large nursery field and soon encountered a single male subject in that field. Upon seeing the agent's approach, this subject attempted to flee the area. Believing that this subject could be the suspect at-large, Agent (b) (6), (b) (7)(C) overtook the subject and detained him. Upon detaining him, Agent (b) (6), (b) (7)(C) performed an immigration inspection of the subject and in doing so determined that he was a citizen of Mexico, illegally present in the United States. The subject was arrested and escorted back to the scene of the bail-out. After some time, it was determined that this subject was not the person associated in the bail-out. The subject of the bail-out was still at large and a continuing search was conducted. The subject that Agent (b) (6), (b) (7)(C) had arrested was transported to the Murrieta Border Patrol Station for processing. The suspect of the bail-out was not apprehended.</p> <p>At the station, the subject was entered into processing systems for positive identification. The subject was identified as (b) (6), (b) (7)(C) re-inspected as to his nationality and legal status. During the re-inspection, (b) (6), (b) (7)(C) freely stated that he was a citizen and national of Mexico who had illegally entered into the United States on April 10th, 1999 and has no immigration documents that would allow him to be in or remain in the U.S. (b) (6), (b) (7)(C) stated that he has never applied for any type of immigration documentation and that he doesn't have any immigration cases or hearings pending.</p> <p>Positive records checks, based off of the fingerprints and photo of (b) (6), (b) (7)(C) resulted in him being a previous Expedited Removal from the San Ysidro Port of Entry in February of 1999. (b) (6), (b) (7)(C) was arrested and removed under the name (b) (6), (b) (7)(C) for illegal use of a passport and was issued A# (b) (6), (b) (7)(C) and FBI# (b) (7)(E). When confronted with this information, (b) (6), (b) (7)(C) freely admitted that was the name he used back in 1999 but that his true and correct name is (b) (6), (b) (7)(C). His statement is verified by his possession of both a Mexican Issued Driver's License and a Mexican Matricula Consular card with the name of (b) (6), (b) (7)(C). No wants or warrants were returned for (b) (6), (b) (7)(C).</p> <p>(b) (6), (b) (7)(C) was processed for a Reinstatement of his Prior Order of Removal. (b) (6), (b) (7)(C) was served with forms I-294, I-205, I-215b, and I-871. However, immediately before the truck came to a complete stop, the passenger door suddenly swung open and the passenger, later identified as (b) (6), (b) (7)(C), jumped out of the truck and began to run. In my experience, individuals who bail-out of a moving vehicle when being pulled over by the Border Patrol, do so because they are here in the United States illegally without valid or proper immigration documents and they do not want to be apprehended. Once I realized (b) (6), (b) (7)(C) had bailed-out of the vehicle in an attempt to escape, I immediately exited our vehicle and began to chase him on foot. After realizing (b) (6), (b) (7)(C) might outrun me, Agent (b) (6), (b) (7)(C) turned our car around and proceeded to cut off (b) (6), (b) (7)(C)'s path. (b) (6), (b) (7)(C) tried to outmaneuver me when he saw that the Border Patrol vehicle had cut off his path, but I was able to chase him down and tackle (b) (6), (b) (7)(C) to the ground in order to make the arrest. Once (b) (6), (b) (7)(C) was secured, I identified myself as a Border Patrol Agent and asked him what his citizenship was. (b) (6), (b) (7)(C) stated that he was from Mexico, and when asked if he had any immigration documentation affording him the right to remain in the United States, he stated that he did not. (b) (6), (b) (7)(C) was then taken into custody and transported to the Murrieta / Newton-Azrak Border Patrol Station for processing. Due to Agent (b) (6), (b) (7)(C) leaving in order to help me apprehend (b) (6), (b) (7)(C) the brown pickup truck that (b) (6), (b) (7)(C) had bailed out of left the scene and had disappeared. A brief search for the vehicle in the immediate area was unsuccessful. No license plate information was obtained.</p> <p>At the station, (b) (6), (b) (7)(C) was asked a second time as to his citizenship. (b) (6), (b) (7)(C) freely admitted to being a citizen and national of Mexico, as well as being in the United States illegally without having proper or valid immigration documents. (b) (6), (b) (7)(C) also admitted to having entered the United States at a place not designated as a port of entry and that he was not inspected or admitted by any official of the United States government. (b) (6), (b) (7)(C) was able to provide a valid Mexican Voter Registration card, as well as a valid Mexican Consular Identification card. As a routine step in processing, (b) (6), (b) (7)(C) photograph, biographical, and biometric information was entered into processing systems. <p>Responsibility. At approximately 6:45 a.m., Agent (b) (6), (b) (7)(C) and I were observing northbound traffic on Interstate 15 from a static position on the shoulder of the freeway in a fully marked Border Patrol sedan. At approximately 6:50 a.m., Agent (b) (6), (b) (7)(C) and I saw a black pickup truck pass our location. We observed only one occupant (the driver), and as it passed by, the driver reached for a drink with his right hand and brought it up to his mouth to take a sip. In order to get a better look at both the vehicle and the driver, I safely merged into traffic and attempted to catch up to the truck.</p> <p>Agent (b) (6), (b) (7)(C) and I caught up to the pickup truck traveling north on I-15 and pulled alongside of it. The driver made no effort to acknowledge our presence beside him and would not make eye contact. The driver appeared to be nervous as he sat abnormally erect in his seat and tightly gripped the steering wheel with both hands. The driver also reached down to take another sip out of his drink as we traveled alongside of his vehicle. In my experience, all of these abnormal behaviors portrayed by the driver of the pickup truck, to include taking a sip out of a drink at the exact moment that Border Patrol Agents are present and observing him, are all indicative of someone who is extremely nervous about the Border Patrol being in their presence. I have seen these exact same nervous ticks and behaviors from individuals I have arrested who have been here in the United States illegally without immigration documents. Agent (b) (6), (b) (7)(C) and I decided to execute a vehicle stop on the black pickup truck in order to perform an immigration inspection. The vehicle safely yielded without incident on the I-15 off-ramp to Highway 76.</p> <p>I approached the vehicle and identified myself as a Border Patrol Agent. I then asked the driver, later identified as (b) (6), (b) (7)(C) what his citizenship was. (b) (6), (b) (7)(C) stated that he was from Mexico, and when asked if he had any immigration documentation affording him the right to remain in the United States, he stated that he did not. When asked if (b) (6), (b) (7)(C) had any identification on him, he produced a valid Mexican Consular Identification Card. (b) (6), (b) (7)(C) was then arrested and transported to the Murrieta / Newton-Azrak Border Patrol Station for processing. The vehicle was towed by Town & Country towing.</p> <p>At the station, (b) (6), (b) (7)(C) was asked a second time as to his citizenship. (b) (6), (b) (7)(C) freely admitted to being a citizen and national of Mexico, as well as being in the United States illegally without having proper or valid immigration documents. (b) (6), (b) (7)(C) also admitted to having entered the United States at a place not designated as a port of entry and that he was not inspected or admitted by any official of the United States government. As a routine step in processing, (b) (6), (b) (7)(C) photograph, biographical, and biometric information was entered into processing systems. These systems, along with record checks, revealed no prior criminal history, but did reveal that (b) (6), (b) (7)(C) had three previous apprehensions by the Border Patrol, which all resulted in voluntary returns to Mexico. During all three apprehensions, (b) (6), (b) (7)(C) used a different name of (b) (6), (b) (7)(C) as well as a different date of birth, (b) (6), (b) (7)(C). Further record checks revealed that (b) (6), (b) (7)(C) was a prior border crosser cardholder, but the Border Crossing Card was cancelled and taken away in 2004 when CBP Officers realized (b) (6), (b) (7)(C) was unlawfully employed and working in the United States.</p> <p>(b) (6), (b) (7)(C) has the following numbers assigned to him:</p> <p>FINS#: (b) (6), (b) (7)(C)</p> <p>FBI#: (b) (7)(E)</p>

<p>On Sunday, July 22, 2012, I Agent (b) (6), (b) (7)(C) of the Murrieta Border Patrol Station were assigned roving patrol duties in our Area of Responsibility (AOR). We were observing traffic in between Interstate 15 (I-15) and Highway 78 on Washington Ave, in Escondido, CA. (b) (7)(E)</p> <p>(b) (7)(E)</p> <p>At approximately 11:00 am we spotted a white Ford F-150 (CA-(b) (6), (b) (7)(C)) pass by our location, with two male occupant's visible inside. We were in a fully and clearly marked Border Patrol service vehicle. The driver, later identified as (b) (6), (b) (7)(C) upon seeing the marked Border Patrol unit, changed his demeanor drastically. Initially (b) (6), (b) (7)(C) appeared to be leaning back and was gripping the steering wheel loosely. When he passed by our location, (b) (6), (b) (7)(C) immediately sat up in a rigid posture, and locked his arms out while grabbing the steering wheel tightly. Due to our knowledge and experience as Border Patrol agents, we have observed this behavior numerous times before. Many times people exhibiting this type of behavior have been known to "bail out" of their vehicles, or fail to yield and/or drive in an unsafe manner after being followed by a marked Border Patrol unit. This is because they are in the country illegally and are trying to avoid being detected and apprehended. Based on our knowledge of the area, we knew a major intersection was coming up. We wanted to perform a vehicle stop so we could perform an immigration inspection prior to this intersection as it was the safest area around to do so. The vehicle yielded in a parking lot prior to the intersection of Washington Ave and Quince Street.</p> <p>We introduced ourselves as U.S. Border Patrol. We asked (b) (6), (b) (7)(C) what country he was a citizen of. (b) (6), (b) (7)(C) freely and voluntarily admitted to being a citizen of Guatemala. When asked if he had any immigration documents that would allow him to enter or remain in the United States legally, (b) (6), (b) (7)(C) stated that he had no such documents, and that he was in the country illegally. (b) (6), (b) (7)(C) was arrested for being a Guatemalan citizen illegally present in the United States and was transported to the Murrieta Border Patrol Station for processing.</p> <p>At the station, (b) (6), (b) (7)(C) again was asked as to his citizenship and again freely admitted to being a citizen of Guatemala who was in the United States illegally with no proper documents.</p> <p>(b) (6), (b) (7)(C) was entered into processing systems and came back with the following:</p> <p>CRIMINAL:</p> <p>None</p> <p>IMMIGRATION:</p> <p>None</p> <p>(b) (6), (b) (7)(C) was assigned A# (b) (6), (b) (7)(C) FINS (b) (6), (b) (7)(C) and was issued FBI # (b) (7)(E)</p> <p>(b) (6), (b) (7)(C) was served with CBP Forms: I-862, I-286, I-200, I-826, and was given a List of Free Legal Services.</p>

<p>(b) (6), (b) (7)(C) is being held in DHS custody pending a removal proceeding.</p> <p>TRAVEL INFORMATION:</p> <p>(b) (6), (b) (7)(C) stated that he does not remember much about his trip from his home in Guatemala to when he crossed illegally into the United States. He stated that he left his home in Guatemala on approximately April 20th of 2001 and took a series of buses from Guatemala to Mexico. This took about 15 days. (b) (6), (b) (7)(C) stated that he crossed into Mexico legally using a permit that was good for 72 hours. On approximately May 5th of 2001 he made his way to the United States border again on a series of buses. This took approximately 39 days. Once near the United States border, he told a smuggler that he was Mexican and paid him \$1,000.00 USD to smuggle him into the United States near Nogales, AZ. It took him approximately one week to cross through the mountains into the United States. He crossed into the United States on or about June 20th of 2001. He then took a bus from Arizona to Los Angeles, California, and this took approximately eight to ten hours. Once in Los Angeles, one of his friends picked him up and took him to Escondido, CA where he has been residing at (b) (6), (b) (7)(C). He has been working as a landscaper off and on while living in Escondido. (b) (6), (b) (7)(C) stated that he paid no bribes to any officials.</p>

In the agent's experience, the general motoring public usually will glance over at vehicles in their vicinity, especially marked law enforcement vehicles. Agent (b) (6), (b) (7)(C) then pulled in behind the aforementioned vehicle and Agent (b) (6), (b) (7)(C) ran record checks through Murrieta dispatch. Record checks on the vehicle revealed that the vehicle was registered out of Fallbrook, California. <p>Chevy was clearly talking on his cell phone while ch is a violation of California Vehicle Code - 23123(a). We performed a vehicle stop on the Chevy S10 approximately a half mile north of Perris Blvd on Highway 74.</p> <p>Officer (b) (6), (b) (7)(C) and I approached the vehicle, identified ourselves, and advised the driver as to the reason for the stop. Immediately, Officer (b) (6), (b) (7)(C) observed an open container of alcohol (Bud Light 12 ounce can) in the center console of the Chevy which is another violation of the CVC section 23223(a) - open alcoholic container. The driver admitted to Officer (b) (6), (b) (7)(C) that that it was his alcoholic beverage and that he was drinking and driving. his point, the driver, who was later identified as (b) (6), (b) (7)(C) DOB: (b) (6), (b) (7)(C) was asked to step out of the vehicle. Officer (b) (6), (b) (7)(C) then attempted to get identification from (b) (6), (b) (7)(C) but (b) (6), (b) (7)(C) stated that he had no identification with him. When Officer (b) (6), (b) (7)(C) then asked (b) (6), (b) (7)(C) to give his name and date of birth, (b) (6), (b) (7)(C) gave the name (b) (6), (b) (7)(C) Records Checks conducted through the Riverside County Sheriff's Department on that name revealed a subject with two misdemeanor warrants. One warrant was in Riverside County and the other warrant was from the city of Irwindale, California. (b) (6), (b) (7)(C) was then placed in handcuffs and seated in the backseat of our vehicle. As Officer (b) (6), (b) (7)(C) began an inventory of the Chevy S10, he located an older CHP citation with the name (b) (6), (b) (7)(C) but with a different date of birth of (b) (6), (b) (7)(C). When Officer (b) (6), (b) (7)(C) presented me with this information, I again asked (b) (6), (b) (7)(C) what his name and date of birth was and (b) (6), (b) (7)(C) replied (b) (6), (b) (7)(C) with a date of birth of (b) (6), (b) (7)(C) which again conflicted with the information he gave earlier. I then also asked (b) (6), (b) (7)(C) if he was a citizen of Mexico and he admitted that he was. He also admitted that he had crossed illegally into the United States. Due to the fact that (b) (6), (b) (7)(C) possibly had warrants for his arrest, had no valid form of identification, gave conflicting information concerning his name and date of birth, and admitted to being a citizen of Mexico, he was taken into DHS custody and transported to the Murrieta Border Patrol Station for further investigation.</p> <p>At the Murrieta Border Patrol Station, (b) (6), (b) (7)(C) biometric/biographical information were entered into the DHS search databases revealing the following name and information:</p> <p>Name: (b) (6), (b) (7)(C)</p> <p>Date of Birth: (b) (6), (b) (7)(C)</p> <p>Height: (b) (6), (b) (7)(C)</p> <p>Citizenship: Mexico</p> <p>Alien numbers: (b) (6), (b) (7)(C)</p> <p>FBI# (b) (7)(E)</p> <p>SID# (b) (6), (b) (7)(C)</p> <p>(b) (7)(E), (b) (6), (b) (7)(C)</p>

At this point the vehicle slowed down immensely as though they were attempting to avoid drawing the attention of the marked Border Patrol sedan. The vehicle was now traveling considerably slower than the posted speed limit. Agents (b) (6), (b) (7)(C) recognized these behavioral indicators as common amongst aliens present in the United States illegally. The Agents continued to follow the Vehicle, still monitoring the occupant's unusual behavior. At this point the vehicle began to drift from one side of the lane to the other. In the agent's experience, this behavior is common amongst individuals involved in criminal activity. This is due to the fact that they are focused on the marked unit, and are not paying attention to the road ahead. Based on their prior training and experience, Agents (b) (6), (b) (7)(C) became suspicious the occupants were in violation of immigration law. Suspecting the occupants of the vehicle were in violation of immigration law, the Agents activated the sedan's emergency lights in order to conduct a vehicle stop on the vehicle. The vehicle yielded on Meadows Parkway and Rancho California Road. At this point the driver, later identified as (b) (6), (b) (7)(C), exited the vehicle and attempted to abscond on foot. At approximately 3:30 pm, the Agents were observing traffic at the intersection of Twin Oaks and Windy Street near the city of San Marcos. The Agents observed a blue in color Nissan bearing CA (b) (6), (b) (7)(C) approach their location. As the vehicle passed their location, the Agents observed two male subjects. The Agents noticed that neither of the subjects acknowledged the marked Border Patrol vehicle. At this time, the Agents decided to follow the vehicle to get a closer look. Agent (b) (6), (b) (7)(C) placed his vehicle behind the subject vehicle and noticed that the driver decreased his speed dramatically. While observing the subject, the Agents also noticed that both the driver and the passenger of the vehicle were utilizing the vehicle's mirrors in order to observe the Agent's action. At this point, Agent (b) (6), (b) (7)(C) positioned his vehicle next to the subject vehicle and observed that the driver would not look away from the road, while decreasing his speed, and he had a firm grip on the steering wheel, to the point that his knuckles appeared to be turning white. This is a common behavior by those who attempt to avoid detection by the Border Patrol.

At this point the Agents utilized their vehicle's emergency equipment in order to conduct a vehicle stop. The vehicle yielded at the intersection of Twin Oaks and Richmar St near the city of San Marcos. Agents (b) (6), (b) (7)(C) approached the vehicle and identified themselves as United States Border Patrol Agents. Agent (b) (6), (b) (7)(C) questioned both subjects as to what country they were citizens and nationals of. The passenger freely responded "Mexico". Agent (b) (6), (b) (7)(C) then asked the subject if he had any documents to allow him to remain in the United States legally to which he freely replied "No". At this point Agent (b) (6), (b) (7)(C) placed the subject under arrest. The driver and the vehicle were released on scene as no smuggling case could be established. Driver was a United States Citizen.

Once at the station the subject was identified as (b) (6), (b) (7)(C) was asked once again as to what country he was a citizen and national of. (b) (6), (b) (7)(C) freely replied "Mexico". (b) (6), (b) (7)(C) was then asked if he had any documents to allow him to remain in the United States legally to which he replied "No".

Also at the station, as a routine step in processing, (b) (6), (b) (7)(C) photograph, biographical, and biometric information was entered into processing systems. These systems, along with record checks, revealed an immigration and criminal history under the following numbers:

ENCOUNTER:

On January 10, 2013, Border Patrol Agent (b) (6), (b) (7)(C) and I, Border Patrol Agent (b) (6), (b) (7)(C) were assigned to roving patrol duties along Interstate 15 (I-15) from Murrieta, California north to Corona, California. (b) (7)(E)

(b) (7)(E)

At approximately 9:10 a.m., Agent (b) (6), (b) (7)(C) and I were patrolling Interstate 15, in the Lake Elsinore, California area, when we decided to exit on Highway 74 and go west. BPA (b) (6), (b) (7)(C) and I observed three males, standing in the parking lot off of the corner of Highway 74 and Collier Avenue. One of the individuals noticed our marked Border Patrol vehicle, and immediately turned away and walked behind a parked vehicle. Because of his behavior, Agent Payan and I decided to exit our marked unit in an attempt to have a consensual encounter with the subjects.

INTERVIEW: <p>After parking our vehicle in the Farmer Boys Restaurant parking lot, Agent (b) (6), (b) (7)(C) and I began casual conversation with the subjects in the English language. We identified ourselves as U.S. Border Patrol Agents, and began to speak with them. Agent (b) (6), (b) (7)(C) began asking general questions, such as "Are you guys working today?" and "How is work going in the rainy weather?" One of the individuals, later identified as (b) (6), (b) (7)(C) (b) (6), (b) (7)(C) was noticeably nervous, not making eye contact and constantly taking his hands in and out of his pockets. Agent (b) (6), (b) (7)(C) asked (b) (6), (b) (7)(C) if he and the two other subjects were related, to which (b) (6), (b) (7)(C) answered loudly and abruptly "NO, why would we be related?" Agent (b) (6), (b) (7)(C) told (b) (6), (b) (7)(C) to calm down, that he was just asking him general questions. Agent (b) (6), (b) (7)(C) asked (b) (6), (b) (7)(C) what country he was a citizen of. (b) (6), (b) (7)(C) answered that he was a citizen of Mexico. Agent (b) (6), (b) (7)(C) then asked (b) (6), (b) (7)(C) if he had any immigration documents that allowed him to be in the United States legally. (b) (6), (b) (7)(C) answered "yes I do, but it's in my car." I told (b) (6), (b) (7)(C) that I would walk with him to his car to retrieve his immigration documents.</p> <p>As we walked, I asked (b) (6), (b) (7)(C) where his car was, and he motioned in the direction of some vehicles. I asked him what kind of car he had, and he responded "silver". I noticed that (b) (6), (b) (7)(C) was "scanning" the area, a non-verbal form of communication where the subject looks around for a means of escape, usually unknowingly. As we continued walking, I asked (b) (6), (b) (7)(C) why his car was parked so far away, and he began to answer, and then suddenly ran.</p> <p>As I chased (b) (6), (b) (7)(C) I radioed to Agent (b) (6), (b) (7)(C) that I was in a foot pursuit. I directed (b) (6), (b) (7)(C) back towards the freeway, as the subject was running along Highway 74, and heading east underneath the Interstate 15 overpass. I observed (b) (6), (b) (7)(C) head north onto Dexter Avenue off of Highway 74. As I ran along the sidewalk, a motorist called out to me that (b) (6), (b) (7)(C) was hiding in the Burger King parking lot, located on the corner of Dexter Avenue/Highway 74. Upon running northbound onto Dexter Avenue, I observed Agent (b) (6), (b) (7)(C) arrest (b) (6), (b) (7)(C) in the driveway of the Burger King restaurant.</p> <p>At this point, (b) (6), (b) (7)(C) was taken into custody and transported to the Murrieta Border Patrol Station for processing.</p> <p>(b) (6), (b) (7)(C), (b) (7)(E)</p> NOTICE OF RIGHTS: <p>On January 10, 2013 at 11:55 a.m. (b) (6), (b) (7)(C) was advised of his rights to speak to the Mexican Consular by Agent (b) (6), (b) (7)(C) and witnessed by Agent (b) (6), (b) (7)(C). (b) (6), (b) (7)(C) stated, yes, he would like to speak to the consular. Agent (b) (6), (b) (7)(C) contacted the Mexican Consular and (b) (6), (b) (7)(C) spoke with them at 12:01 p.m.</p> PROCESSING: <p>During processing, (b) (6), (b) (7)(C) freely admitted that he arrived at a time and place other than as designated by the Attorney General of the United States or by the Secretary of Homeland Security, on or about February 20, 2006, at or near Douglas, Arizona.</p> <table border="1"><tr><td>Signature (b) (6), (b) (7)(C)</td><td>Title Border Patrol Agent</td></tr></table>			Signature (b) (6), (b) (7)(C)	Title Border Patrol Agent

I have over 14 years of experience as a Border Patrol Agent and have spent my entire career assigned to the Murrieta (formerly Temecula) Border Patrol Station. I have been involved in more than 100 vehicle stops that involved the arrest or seizure of undocumented aliens and narcotics. I am very familiar with the area around the Oak Grove Checkpoint and the local circumvention routes.</p> <p>At approximately 2:00 pm, I was on the side of the road observing vehicle traffic on Chihuahua Valley Road in a conspicuous spot. (b) (7)(E) (b) (7)(E) (b) (7)(E) The checkpoint was not operational at that time but there were other agents at the checkpoint who were observing traffic. After about 20 minutes, I observed a Toyota SUV (CA# (b) (6), (b) (7)(C)) drive west along Chihuahua Valley Road to the intersection of Highway 79. As the vehicle passed my location, I observed two occupants in the SUV. <p>presence. I found their behavior to be odd since other cars that had passed my location in the previous 20 minutes would physically acknowledge my presence by waving to me.</p> <p>I began to follow them and requested record checks on the vehicle from radio dispatch. Records showed that the vehicle was registered out of Ontario, California. (b) (7)(E)</p> <p>(b) (7)(E)</p> <p>(b) (7)(E) These interstates are routes where smugglers can transport their cargo across the country. I believed that the driver of the Toyota could be smuggling a load of illegal aliens based on their route of travel (a known circumvention route), the behavior of the occupants (they acted differently than everyone else who had passed by) and the possible destination as listed by the vehicle registration city (common destination for smugglers.)</p> <p>When we came to a flat open area, I activated my emergency lights and siren. The driver (later identified as (b) (6), (b) (7)(C)) pulled over safely to the side of the road. I got out of my vehicle and began to approach the Toyota. When I was almost to the rear bumper of the Toyota, (b) (6), (b) (7)(C) suddenly sped away. I called out over the radio that the vehicle had absconded then got back in my vehicle to try and overtake the Toyota.</p> <p>When I caught up to the Toyota, it was going approximately 60 miles per hour. It slowed down further because of traffic. (b) (6), (b) (7)(C) turned on his left blinker. I backed off in order to let him pull over as my experience told me he was going to bail out and I was just trying to create some distance to allow him to do so. (b) (6), (b) (7)(C) pulled off of the road approximately one mile north of where he had initially pulled over and he and the passenger bailed out. They ran north along the road for approximately 30 yards then went down the concrete embankment. Both subjects slid and had a difficult time getting down the embankment. (b) (6), (b) (7)(C) slipped and tumbled. (b) (6), (b) (7)(C) was crying out in pain and I could see that he was incapable of walking. At that point, I disregarded the passenger (b) (6), (b) (7)(C) later identified the passenger as the registered owner of the vehicle, (b) (6), (b) (7)(C) and turned my attention to rescuing (b) (6), (b) (7)(C). As I went down the hill to (b) (6), (b) (7)(C) location, I slipped and caught myself by putting my left hand down to the ground subsequently injuring my shoulder.</p> <p>Border Patrol Agent (b) (6), (b) (7)(C) arrived and helped me to get (b) (6), (b) (7)(C) out of the ditch and into a service vehicle. Other agents attempted to locate the passenger but he could not be found. I did a quick search of the vehicle to check for any other illegal aliens that could be hiding. None were found. Agent (b) (6), (b) (7)(C) drove the vehicle back to the Murrieta Station.</p> <p>I then transported (b) (6), (b) (7)(C) to an urgent care facility. X-rays showed that his leg was broken so I took him to Rancho Springs Medical Center in Murrieta, California. Two agents from swing shift accompanied (b) (6), (b) (7)(C) into the hospital and I returned to the station to process the case.</p> <p>Prior to transporting (b) (6), (b) (7)(C) to urgent care, I questioned him as to his citizenship. He stated that he was from Mexico and that he was here illegally. At approximately 1424 hours, I placed (b) (6), (b) (7)(C) under arrest.</p>

Agent (b) (6), (b) (7)(C) and I were in full agency issued uniform and were provided with a fully marked service vehicle. <p>At this point Agent (b) (6), (b) (7)(C) and I responded and waited alongside on the interstate awaiting visual of the vehicle. A few seconds later Agent (b) (6), (b) (7)(C) observed a grey in color Toyota Camry that fit the description approach our location. As the vehicle past our location we observed a single male occupant traveling at a normal rate of speed given the conditions. At this point given the actions he made towards a fellow agent we decided to follow the subject and perform record checks. Once we placed our service vehicle behind the subject traveling in the number two lane we noticed the subject dramatically dropped his speed to below the posted speed limit. At this point we began to travel at approximately 60 mph. After a few seconds of following the subject he quickly and unsafely went from the number two lane to the number four lane which became the exit lane.</p> <p>Record checks also revealed the vehicle and registered owner to have a narcotics smuggling connection. Vehicle returned registered to a female out of the city of Fontana, Ca. At this point the vehicle attempted to exit the Rancho California exit in the city of Temecula Ca. Given the subject's actions and record checks Agent (b) (6), (b) (7)(C) and I activated our emergency equipment in order to conduct a vehicle stop. Vehicle exited Rancho California and began to travel eastbound, subject then made a right turn on Ynez rd and yielded approximately 30 yards from the intersection of Rancho California and Ynez rd.</p> <p>Agent (b) (6), (b) (7)(C) and I approached the vehicle and identified ourselves as United States Border Patrol Agents. I continued by asking the subject later identified as (b) (6), (b) (7)(C) as to what country he was a citizen of to which he replied "United States". At this point I requested identification and clarity to his previous actions. While speaking with (b) (6), (b) (7)(C) Agent (b) (6), (b) (7)(C) and I noticed that the subject had trouble focusing and answering our questions. Upon further visual of the interior of the vehicle we observed alcohol resting on his passenger seats and what appeared to be a strong alcohol odor.</p> <p>At this point I contacted our dispatch and requested assistance from Temecula Police Department for an evaluation. Once on scene the officers performed their record checks which revealed an outstanding warrant. Once advised (b) (6), (b) (7)(C) had an outstanding warrant Deputy (b) (6), (b) (7)(C) took custody of (b) (6), (b) (7)(C) Vehicle was towed by Temecula Police Department.</p>

<p>him that were forced to move from lane number one into lane number two in order to pass by the now slow moving Jeep. At this time I elected to follow the vehicle to further observe the driver.</p> <p>As I approached the vehicle I observed that the driver had now increased his speed. I was able to observe this because he was now passing by several of the vehicles that had previously passed by him. In my experience, those involved in the smuggling of illegal aliens and narcotics and those involved in illegal activity will often react to the presence of law enforcement in this manner. They will often utilize various speeds of travel in an effort to gain or maintain distance between themselves and any law enforcement present.</p> <p>I then positioned my fully marked Border Patrol sedan along the passenger side of the vehicle. I observed that the driver would not look over in my direction or in any way recognize my presence alongside his vehicle. In my training and experience, those involved in the smuggling of illegal aliens and narcotics will often act in this manner in the presence of law enforcement. While, everyday people driving in their vehicles will often be talking or texting on their phones, looking around at the other traffic on the road, and have a general relaxed appearance as they travel down the road. As I continued to drive behind the vehicle, I further observed that the driver was continually checking his mirrors in an attempt to locate my marked unit behind him. As he was doing this, I observed that the vehicle was swerving from side to side within the number one lane and even into the number two lane on two occasions. In my training and experience, actions such as these often occur when individuals are more focused on the law enforcement vehicle near them than they are on the road in front of them.</p> <p>As I continued to follow behind the vehicle from lane number two, I observed as the driver changed from lane number one into lane number two. The driver then increased the speed of his vehicle, passed a vehicle in lane number one, then merged back into lane number one; however, he had no allowed enough space which caused the vehicle behind him to abruptly slam on their breaks and nearly caused several vehicles to collide. In my training and experience, those involved in the smuggling of illegal aliens and narcotics and those involved in illegal activity will often utilize any means necessary to put space and distance between themselves and law enforcement.</p> <p>At this time, I relayed the vehicle information to Dispatch and initiated a vehicle stop along the I-15 northbound. The vehicle yielded at the U.S. Border Patrol's I-15 Checkpoint.</p> <p>I approached the vehicle and identified myself as a United States Border Patrol Agent to the driver. Through brief questioning I determined that the driver, identified as (b) (6), (b) (7)(C) was illegally present in the United States. (b) (6), (b) (7)(C) stated that he had no documents to allow him to be or remain legally in the United States. (b) (6), (b) (7)(C) further stated that he had recently applied for the Dream Act, but had no paperwork with him. (b) (6), (b) (7)(C) was transported to the Murrieta Border Patrol Station for further identification and processing.</p> <p>At the station, (b) (6), (b) (7)(C) biographical and biometric information was entered into processing systems. The Agents noticed a white 2002 Ford Escort (CA/(b) (6), (b) (7)(C) with three individuals occupying it. Agents (b) (6), (b) (7)(C) pulled behind the vehicle in order to investigate. The driver kept looking into his rear view mirror and seemed to be more concerned about the Agent's marked service vehicle than what was in front of him. Agent (b) (6), (b) (7)(C) pulled up next to the vehicle on the passenger side in an attempt to get a better look at the vehicle's occupants. Agent (b) (6), (b) (7)(C) looked at the occupants of the vehicle but both the driver and the passenger avoided eye contact with the Agents. The Agents observed that the driver looked straight ahead while maintaining a rigid posture. While attempting to pull behind the vehicle again to conduct checks on the license plate, the subject's vehicle continued to decelerate to an unsafe speed, well below the posted speed limit, before the Agents service vehicle could pull behind it. Once behind the vehicle, Agents (b) (6), (b) (7)(C) observed the vehicle suddenly change from lane two to the off ramp at Sycamore Ave. and exit Highway 78 eastbound abruptly. These are common behaviors that Agents (b) (6), (b) (7)(C) have observed throughout their careers while interdicting illegal aliens transversing Highway 78. Agent (b) (6), (b) (7)(C) requested record checks on the vehicle. All checks came back with nothing derogatory or any border crossings in the past six months. Due to these behaviors, Agents (b) (6), (b) (7)(C)</p>

NARRATIVE: -- (b) (7)(E) Pechanga Pkwy and Clubhouse. Temecula, CA.		
On Friday September 20, 2013, Agents of the Murrieta Border Patrol were assigned roving patrol duties along the Interstate 15 corridor near Temecula, CA. All agents were in marked service vehicles with fully functioning emergency equipment and were in full duty uniforms.		
At approximately 6:53 pm Agents (b) (6), (b) (7)(C) were observing traffic coming off of the northbound I-15 at Rainbow Valley Blvd. (b) (7)(E)		
(b) (7)(E)

(b) (7)(E)		
(b) (7)(E)		
The agents observed a silver Cadillac sedan make the exit, hesitated at the stop sign, and made a left hand turn onto Rainbow Valley Blvd. This action is peculiar in that the only things available to a driver in that direction is either the southbound onramp or the CHP scales. The driver continued past the parked Border Patrol sedan, got to the entrance of the CHP scales then immediately performed a U-turn to go back across the freeway. This type of driving behavior is common of persons engaged in criminal activity in that they might be looking for an alternate route away from the Border Patrol checkpoint. The vehicle then proceeded to turn northbound on 395, (b) (7)(E)		
(b) (7)(E) Suspicious of the driver's behavior, the agents pulled in behind the vehicle in order to further observe and to conduct records checks.		
The agents requested records checks on a CA (b) (6), (b) (7)(C) Records revealed that the vehicle was a 2003 Cadillac sedan that was registered out of San Diego, CA. Records also revealed that the vehicle's registration had been suspended since July 29, 2013. Based off of this

<p>information, and the driver's aforementioned behavior, a vehicle stop was initiated in order to investigate more. The agents activated the sedan's emergency lights and the subject immediately yielded near the above intersection.</p> <p>Agent (b) (6), (b) (7)(C) approached the vehicle's passenger side and had the driver roll down the window. Agent (b) (6), (b) (7)(C) introduced herself to the driver as a United States Border Patrol Agent and the subject immediately stated, "What's Up?" Within a few moments of the subject rolling down the window, Agent (b) (6), (b) (7)(C) noticed an odor that she believed to be marijuana. Agent (b) (6), (b) (7)(C) asked the driver if he had any form of identification to which the driver stated that he did not have a driver's license or any other form of id. With this, he also admitted that the vehicle was not his but a cousin's. The driver could not produce a vehicle registration document either. She then asked the driver as to his destination and from where he was coming from. The driver stated that he was going to a poker game at the Pechanga casino. When asked why he exited at Rainbow Valley and drove the way he did, seemingly lost, he waffled between answering that he was looking for a gas station and that his car was overheating. Again, there are no service stations at the exit that he got off on. As Agent (b) (6), (b) (7)(C) approached the car, he could overhear the driver becoming argumentative and belligerent at the other Agent's questions. Agent (b) (6), (b) (7)(C) asked the driver to exit his vehicle and have a seat on the curb. The driver complied but was verbally abusive towards the agents. Upon the driver's exit of the vehicle, Agent (b) (6), (b) (7)(C) could smell an odor similar to that of marijuana. Further questioning of the subject was met with conflicting responses and aggressive verbal behavior. Within moments, the subject began taunting the agents to arrest him and was cursing. At this point, due to the subject's aggressive behavior and belligerent responses and the possible presence of marijuana, Agent (b) (6), (b) (7)(C) placed the subject in handcuffs and put him in the back of the Border Patrol sedan for safety purposes. An immediate call for a canine sniff of the vehicle was placed.</p> <p>K9 Agent (b) (6), (b) (7)(C) responded to the call with her partner (b) (6), (b) (7)(C) (b) (6), (b) (7)(C). Agent (b) (6), (b) (7)(C) had her K9 perform an exterior and interior sniff of the vehicle. (b) (6), (b) (7)(C) alerted to the interior and front fender section of the vehicle. At the conclusion of the sniff, Agent (b) (6), (b) (7)(C) did a cursory search of the interior and immediately found a large medicine container, concealed in the back pocket of the passenger's seat, full of a green leafy substance. Based on the discovery of the possible marijuana, the positive canine alert, and the lack of license or identification, the subject was arrested and transported to the Murrieta Border Patrol station for processing.</p> <p>At the station, the subject was entered into processing systems for positive identification. A set of rolled fingerprints revealed that the subject's true identity was (b) (6), (b) (7)(C) a United States citizen. Records revealed that (b) (6), (b) (7)(C) has been issued FBI# (b) (7)(E) and CA SID# (b) (7)(E) (b) (6), (b) (7)(C) (b) (7)(E), (b) (6), (b) (7)(C)</p> <p>(b) (7)(E), (b) (6), (b) (7)(C)</p> <p>A thorough search of the vehicle was conducted at the station. No additional drugs and/or contraband were found in the vehicle except for a small plastic vial that contained what appeared to be ash residue. <p>On September 21, 2013, Border Patrol Agents (b) (6), (b) (7)(C) were assigned roving patrol duties along the I-15 corridor near Highway 76 on the 12 a.m. to 8 a.m. shift. At approximately 6:00 a.m., Agent (b) (6), (b) (7)(C) and I observed a tan colored Nissan Sentra pass our location traveling north on Old Highway 395. (b) (7)(E)</p> <p>(b) (7)(E) At the time, we were traveling south on Old Highway 395 in a fully marked U.S. Border Patrol sedan.</p> <p>Agent (b) (6), (b) (7)(C) and I both observed a single occupant within the vehicle as it passed by. In order to get a better look at the driver, I made a quick U-turn and began to follow the vehicle. Once the driver noticed that we had turned around and began to follow him, he increased his speed and then made a quick and immediate left turn onto Via Urner Rd. as if he was trying to elude us. I also turned onto Via Urner Rd. and continued to follow the vehicle. The vehicle then began slowing down and speeding up, which made us believe that the driver was going to abruptly stop the vehicle and abscond on foot, which is a common tactic used by undocumented aliens when avoiding law enforcement. The vehicle then increased its speed again in an attempt to pull away from us, and then made another left turn onto Aquaduct Rd. After making the same left turn in attempt to follow the vehicle, I activated my vehicle's emergency equipment in order to perform an immigration inspection on the driver of the vehicle. The vehicle safely yielded without incident on the side of the road.</p> <p>Agent (b) (6), (b) (7)(C) and I both approached the vehicle and identified ourselves as Border Patrol Agents. I then questioned the driver, later identified as (b) (6), (b) (7)(C), as to his citizenship. (b) (6), (b) (7)(C) stated that he was from Mexico. When asked if he had any immigration documents affording him the right to legally remain in the United States, (b) (6), (b) (7)(C) stated that he did not. (b) (6), (b) (7)(C) freely admitted to being a national and citizen of Mexico, as well as not possessing any valid immigration documents granting him the right to enter or remain in the United States legally. (b) (6), (b) (7)(C) was then arrested and transported to the Murrieta Border Patrol Station for further processing. The vehicle was left on scene as per (b) (6), (b) (7)(C) request.</p> <p>At the station, (b) (6), (b) (7)(C) was asked a second time as to his citizenship. (b) (6), (b) (7)(C) freely admitted to being a citizen and national of Mexico, as well as being in the United States illegally without having valid immigration documents. (b) (6), (b) (7)(C) also admitted that he had entered the United States at a place not designated as a port of entry and that he was not inspected or admitted by any official of the United States government. As a routine step in processing, (b) (6), (b) (7)(C) photograph, biographical, and biometric information was entered into processing systems. These systems, along with record checks, revealed no prior criminal history, but did reveal that (b) (6), (b) (7)(C) had four prior arrests by the Border Patrol with four subsequent voluntary returns to Mexico. (b) (6), (b) (7)(C) refused to sign for a voluntary return to Mexico and stated that he wanted to see an Immigration Judge regarding his immigration status. <p>On December 6, 2012, at approximately 8:50 a.m., Border Patrol Agent (b) (6), (b) (7)(C) and I, Border Patrol Agent (b) (6), (b) (7)(C), were assigned to roving patrol in the Temecula/Murrieta local area. We positioned our marked Border Patrol vehicle at the intersection of Rancho California Road and Monte De Oro Road, and began our observation of traffic.</p> <p>At approximately 9:00 a.m., BPA (b) (6), (b) (7)(C) began to drive east down Monte De Oro Road, to continue our roving patrol duties. Shortly thereafter, a green Chevrolet pickup truck (license# CA (b) (6), (b) (7)(C)) pulled out of a residence and continued eastbound, in front of our vehicle. As we followed the truck, the passenger constantly checked his side-view mirror, and also turned around to look through the back window of the truck. After following the truck for about 500 yards, the driver made an abrupt right turn onto Barksdale Circle, where the Palumbo Family Vineyard is located. Since the road to the vineyard is a public access road, BPA (b) (6), (b) (7)(C) and I decided to follow the vehicle. At the end of the road, the Chevrolet truck stopped in a driveway, and Agent (b) (6), (b) (7)(C) and I stopped our Border Patrol vehicle behind them, exiting in an attempt to make a consensual encounter.</p> <p>As BPA (b) (6), (b) (7)(C) spoke to the occupants, the driver was able to provide proof that he was legally present in the United States. Upon further questioning of the passenger, it was determined that he was illegally present in the United States without any documentation. The passenger (b) (6), (b) (7)(C) was taken into custody and transported to the Murrieta Border Patrol Station for processing.</p> <p>(b) (6), (b) (7)(C), (b) (7)(E)</p>

The agents were in full uniform and were patrolling in a marked service sedan that had fully functioning lights and emergency equipment.</p> <p>(b) (7)(E)</p> <p>At approximately 9:30 am, the agents were patrolling near Buenos Campos Road and Tierra Rica Road. Upon approaching this intersection, the agents observed several individuals located in and around some parked cars pulled off of the side of the road. The agents slowly approached where the cars were parked and decided to perform consensual encounters on the subjects there. The agents did not activate any lights and none of the subjects ran away from the scene.</p> <p>Upon parking, Agent (b) (6), (b) (7)(C) exited the vehicle and identified himself to the subjects as a United States Border Patrol Agent and asked how everyone was doing. To this, several subjects stated that they were ok. At this point, Agent (b) (6), (b) (7)(C) asked the subjects to state their citizenships and to produce any immigration documents that they might have. Several of the subjects complied. Agent (b) (6), (b) (7)(C) approached three individuals and inspected their documentation. All of those three produced valid immigration documents. Agent (b) (6), (b) (7)(C) then inspected one individual that was shying away from us next to a car. The agent then conducted an immigration inspection on that subject. During the course of the inspection, the subject freely admitted to being a citizen of Mexico and that he did not have any immigration documentation that would allow him to be in the United States. At this point, Agent (b) (6), (b) (7)(C) took the subject into custody and Agent (b) (6), (b) (7)(C) went to inspect three other subjects. Those additional subjects were determined to be in current legal status. The arrested subject was identified in the field as (b) (6), (b) (7)(C), and was placed into the Border Patrol vehicle. (b) (6), (b) (7)(C) was transported to the Murrieta Border Patrol station for processing.</p> <p>At the station, as a function of subject processing, (b) (6), (b) (7)(C) was entered into agency processing systems for positive identification and records checks. A set of rolled fingerprints were entered into processing systems and (b) (6), (b) (7)(C) was positively identified as a citizen and national of Mexico under the aforementioned name. The Agents questioned (b) (6), (b) (7)(C) if he had applied for readmission into the U.S. after his removal and he stated that he did not. <p>and Margarita when a grey Toyota Tacoma passed their location. When the subject noticed the mark unit, he immediately sat up and became rigid in his seat. The agents followed the vehicle for further investigation. While following the vehicle, the subject appeared to be nervous by continuing to sit in a stiff posture and his arms locked out on the steering wheel. The agents pulled alongside the vehicle and the subject looked in the opposite direction of the agents. This appeared to the agents as if the subject was trying to hide himself from them. The agents then pulled behind the vehicle and ran records checks. While observing from behind, the vehicle would swerve between its lane as if the driver was attempting to watch the agents and not the road of travel. This action is common among people illegally present in the United States or committing criminal activity as they are more concerned with the agents than they are driving. Due to the nervous behavior or the driver, the agents conducted a vehicle stop at Rancho California Road and Calle Aragon.</p> <p>The agents approached the vehicle and identified themselves as Border Patrol Agents. Agent (b) (6), (b) (7)(C) performed an immigration inspection on the driver, later identified as (b) (6), (b) (7)(C).
